

ANNOUNCEMENT

Packt Publishing Releases Alfresco 3 Records Management by Formtek's Dick Weisinger

On January 14, 2011, Packt Publishing announced the release of *Alfresco 3 Records Management*.

This book, authored by Formtek Chief Technologist, Dick Weisinger, provides step-by-step instructions on how to identify, organize and manage records using the Alfresco Records Management System.

For more information on the contents of the book, refer to the [Packt Publishing Web Site](#).

For additional information about Formtek's Record Management offerings, download the [Records Management Data Sheet](#) or contact: sales@formtek.com.

About Formtek: For over two decades, Formtek has been providing mission-critical Enterprise Document and Content Management solutions and services to some of the most demanding industrial operations in the world. Our capabilities and experience, particularly in the areas of engineering drawing management, technical document management, and secure collaboration, have helped both small organizations as well as large global enterprises manage their most important information assets. Formtek solutions address real, day-to-day document management, content management, and records management requirements for worldwide customers in manufacturing, aerospace, defense, telecommunication, utility, and government.
