Washington, DC—Formtek, Inc., a leading provider of Enterprise Content Management (ECM) software and implementation services, today announced the date for its annual User Conference. The conference will be held May 6th – 8th, 2003 at The Portofino Bay Hotel at Universal Orlando, Florida. The annual meeting provides the Formtek community with best practices, tools, and resources to help them get the most from Formtek-based applications.

The annual meeting features presentations and discussions on new product plans, software demonstrations, customer and partner solutions from a range of industries, and industry experts as guest speakers. Attendees are given the opportunity to meet the Formtek team and learn about its future plans.

"Our users love having the opportunity to get together at the annual conference," said Gary P. Mann, Chief Executive Officer of Formtek. "Attendees have the chance to help shape Formtek's future solutions based on their business needs and priorities. It's a truly interactive event between the speakers, participants, and Formtek staff."

Attendance is limited to licensed users of Formtek software. For more information, visit: <http://www.formtek.com/usergroup.html>.
